

1. Description

1.1 General Description

The White LED which was fabricated using a blue chip and the phosphor

^t!6'P ÉI #Ø / (' è8¾GÄW#ØU>DÖ8Uö#ØR>1ñ4ÿ ð6'P.É.‡ ö P P ; P P ; P P í

1.2 Features

- y Integrated Package.
- y 360° Full Angle Luminescence.
- y Suitable for spot welding process.
- y Moisture sensitivity level: Level 5.
- y RoHS compliant.

1.3 Application

- y LED halogen lamp.
- y Decorative applications.
- y Indoor Lighting.
- y General use.
